

THE PATRONS OF LCT are a dedicated assemblage of theater aficionados who attend the theater regularly and expect to enjoy the plays that they see...and usually do! But Patrons (with a capital P) do much more than that. They express their appreciation with contributions that provide twenty percent of the annual fundraising that supports the productions, education programs and everything we do at LCT. We are very grateful for their presence in the life of our Theater.

Patrons also receive special ticket ordering privileges, the convenience of pre-show dinners and other benefits that ease the thorny path of theater-going. We look forward to enrolling you as a Patron of our 27th year and wish you a challenging and enjoyable season of plays at LCT.

Sincerely,

André Bishop
